

# 35th Annual Session THIMUN MiniMUN

7 October 2023

---

June 2023

Dear MUN-Directors,

We would like to invite you and your students to the 35th Annual Session of THIMUN MiniMUN. The conference will take place on

**Saturday, 7 October 2023**  
**at Rijnlands Lyceum Wassenaar,**  
**Backershagenlaan 5, 2243 AB Wassenaar**

MUN-Directors are also invited to participate in a teachers workshop that will be held on the same date and location. If you are interested to take part in this workshop please let us know by email.

THIMUN MiniMUN is a one-day, THIMUN-organised, conference in which students can gain experience in debating world issues in GA committees, a plenary session of the General Assembly as well as in the Security Council and ECOSOC. The aim of THIMUN MiniMUN is to prepare students with little MUN experience by giving them the opportunity to develop and improve on their debating skills before they face the demands of larger conferences such as The Hague International Model United Nations (THIMUN) which takes place each year in January.

We hope that many students can make use of this opportunity and we are very happy to invite your school to participate. If you accept our invitation we urgently request you to complete the **School Registration Form (FORM I ONLINE) by 8 September 2023**. This form is available online in a secure environment (MUNIS).

To log in please use the following web site: **<http://apps.thimun.org/thimun/entrance>**  
Using the MUNIS system you can fill in all the necessary information we require for your school's registration (FORM I) and attendance to the conference (FORM II). Your financial statement can also be found in the MUNIS system (main menu).

Please note that as a result of the increasing number of participating schools we strive to limit the number of participants per school to 30.

As we have to assign delegations and estimate the number of participants, we would also appreciate if you could let us know if you can NOT participate.
